

Bringing warmth to those in need

Twenty-third Ward Ald. Silvana Tabares (left) shares a smile with a family that received coats, hats, scarves and gloves through the ward's annual coat drive, held several weeks ago at Archer and Nashville. Many of the hundreds of coats collected were brought to the Rios de Agua Viva Assembly, a church located In the old Marquette Medical building at 61st Place and Kedzie. Tabares credited coat drive founder Al Cacciottolo for once again running a successful drive. – *Supplied photo*
