Ald. Tabares Hosting Paper Shredding, Med Take-Back Event at Byrne School

Looking to get rid of unwanted yet sensitive documents (like old utility bills, medical records, tax returns, Social Security/pension statements, etc.)?

Looking to get rid of unwanted, outdated prescription drugs?

Then make plans to head over to Byrne School, 54th and Oak Park, from 8:30 to 10:30 a.m. Saturday, May 1--where **23rd Ward Alderman Silvana Tabares** will host a shred/drug take-back event.

This is a contact-free event. Motorists dropping off papers or prescription meds are asked to wear masks and stay in their vehicles. Volunteers will remove papers and/or outdated/unwanted meds.

The prescription drug take-back is sponsored by the Cook County Sheriff's Office.

Meds should be in their original containers or a sealed plastic bag. **Not accepted** are liquid meds, anything in an aerosol container, medical waste (including used gloves, masks, syringes, needles, lancets, tubing, IV bags) and illegal drugs.

Volunteers will **not** accept any electronics at this event.

For details, call the alderman's office at (773) 582-4444.

Thanks to Alderman Tabares for providing this useful public service!
